MOMENT OF SILENCE RECOGNIZING THE PASSING OF EARL MICHAEL WILLIS

(Mr. GRAVES of Louisiana asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. GRAVES of Louisiana. Madam Speaker, 28 years ago, Earl Michael Willis was born in Brusly, Louisiana. When he was 14 years old, his sister, Rachael, died of cancer. He went on to go to Catholic High, my high school, and went on to LSU.

In 2018, he got engaged to his wife, Megan. He and Megan got married just last year.

In order to honor his sister Rachael's death, he said he was going to run a 100-mile ultramarathon, and he did so earlier this year in Key West, Florida. Unfortunately, Madam Speaker, that effort to honor his sister Rachael's life resulted in his death. The day after the ultramarathon, Michael Willis, at the young age of 27, passed away.

Madam Speaker, I want to honor his life. Our best wishes and thoughts and prayers to his mother, Cristal; his father, Earl; his brother, Nicholas; and his wife, Megan.

Madam Speaker, I ask that we have a moment of silence to honor his life.

IMPROVING TRANSPORTATION IN RHODE ISLAND

(Mr. LANGEVIN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. LANGEVIN. Madam Speaker, I rise today to speak in strong support of the INVEST Act, which contains nearly \$19 million in funding for three infrastructure projects in Rhode Island's Second District.

This legislation will improve roads in Westerly and Charlestown to increase accessibility along the Scenic Highway, repair roads in Cranston to smooth the commute for Rhode Islanders traveling across the State, and connect a key stretch of the East Coast Greenway in Coventry to boost tourism, create jobs, and spur economic development.

Madam Speaker, Rhode Island's roads and bridges desperately need repair. According to the White House, 148 bridges and over 860 miles of highway are in poor condition in Rhode Island, earning our State the grade of C-minus on our infrastructure report card.

Investing in our aging infrastructure will create good-paying jobs and make our roads safer and less congested. That is true of Rhode Island and every State across the country.

Supporting the INVEST Act and the important projects within it is a no-brainer.

As my New England Patriots always say: Do your job.

To my colleagues, let's do our job so Americans can get on with theirs.

REQUEST TO CONSIDER H.R. 18, NO TAXPAYER FUNDING FOR ABORTIONS ACT

(Mr. GROTHMAN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. GROTHMAN. Madam Speaker, I stand in solidarity with the majority of Americans that oppose taxpayer funding of abortions.

Despite how clear Americans are on the issue, President Biden and the Democrats in Congress are attempting

to force Americans to pay for abortions.

President Biden's recent budget calls for removal of the Hyde amendment, the appropriations rider that prohibits Federal funding of abortion. Congressional Democrats have committed to removing the Hyde amendment and other longstanding pro-life provisions from this year's appropriations bill.

We must not allow longstanding abortion funding prohibitions that are widely supported by the American people to be gotten rid of at the whims of pro-abortion radicals.

Madam Speaker, I ask unanimous consent that the Committees on Energy and Commerce, Ways and Means, and the Judiciary be discharged from further consideration of H.R. 18, and ask for its immediate consideration in the House.

The SPEAKER pro tempore (Ms. STANSBURY). Under guidelines consistently issued by successive Speakers, as recorded in section 956 of the House Rules and Manual, the Chair is constrained not to entertain the request unless it has been cleared by the bipartisan floor and committee leaderships.

RECOGNIZING NEW JERSEY'S OLYMPIC TRACK ATHLETES

(Mrs. WATSON COLEMAN asked and was given permission to address the House for 1 minute.)

Mrs. WATSON COLEMAN. Madam Speaker, I rise today to recognize some of the amazing track talent from the 12th District.

This past weekend, Athing Mu of Trenton, the child of Sudanese immigrants, dominated her 800-meter Olympic qualifying race, nearly breaking the American record despite an early collision on the track. This young woman is finally getting the recognition she has worked so hard for.

No less impressive was Dunellen's own Sydney McLaughlin, who broke the world record for the 400-meter hurdles, becoming the first woman to ever run the race in under 52 seconds.

We have known about these extraordinary young women for quite some time back home, but now America has had the opportunity to see them in action.

New Jersey is so proud of them. I can't wait for them to show the world what they will do at the Olympics.

CONDEMNING CCP FOR 100 YEARS OF HUMAN RIGHTS VIOLATIONS

(Mrs. STEEL asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Mrs. STEEL. Madam Speaker, I rise to condemn the Chinese Communist Party for 100 years of human rights violations.

The CCP centennial is not a cause for celebration but a time to reflect on the millions of people who have been repressed, tortured, and killed at the hands of the Communist regime.
